

“साइकिल और इसके घटक - मानकीकरण” पर संगोष्ठी

Seminar on

“BICYCLES AND ITS COMPONENTS – STANDARDIZATION”

<i>Date</i>	<i>Time</i>	<i>Venue</i>
27 March 2017	09:30 AM	Conference Hall, M/s United Cycle and Parts Manufacturers Association, Gill Road, Ludhiana

The bicycles have come a long way since the first model was developed around 1885. Although the basic shape and configuration of a typical bicycles frame, wheel, pedal have hardly changed many important details have been improved with the advent of modern material and computer-aided design.

In sheer numbers the bicycle industry has made India a world player and there is scope for further development and improvement in global market share if the industry adopts latest technology and bring about product innovation while conforming to latest global/ national standards.

Bicycle Sectional Committee, TED 16 is formulating National Standards in the area of Bicycle and its components. It is felt that most of the stake holders/ users of these standards are required to be kept well-informed with the standards formulation activities in India and status of these national standards and, international standards so that these industries can compete in international trade.

Considering all these aspects, a seminar is being organized at M/s United cycle and Parts Manufacturers Association, Gill Road, Ludhiana on 27th March 2017 in which lectures and presentation by experts hailing from premier organizations with proven expertise and vast experience would be delivered. The discussion with experts would be helpful to further the cause of Standardization in the bicycle industry.

किसे भाग लेना चाहिए

यह संगोष्ठी निर्माताओं, अनुसंधान एवं विकास विद्वानों, उपभोक्ता संगठनों, उपयोगकर्ताओं, परीक्षण प्रयोगशाला और साइकिल और इसके घटक के क्षेत्र में काम करने वालों के लिये है।

The manufacturers, R&D scholars, consumer organizations, users, testing laboratory and other stake holders in the field of bicycle and its components.

पंजीकरण कैसे करें :

ted@bis.gov.in पर निम्नलिखित विवरण के साथ हमें मेल करें:

प्रतिभागी का नाम,

पदनाम,

संगठन,

फोन/ मोबाइल,

ई-मेल पता,

डाक पता,

और रुचि एवं विशेषज्ञता का क्षेत्र

How to Register:

Mail to ted@bis.gov.in with the following details:

Participant's name,

Designation,

Organisation,

Phone/mobile,

Email address,

Mailing address and Field of interest and specialization

संपर्क : श्री शरद कुमार, वै-बी (परिवहन इंजीनियरिंग विभाग)

ई-मेल: ted@bis.gov.in; फोन: 011-2360 4361; (मो) - 97183 22332

Contact: Shri Sharad Kumar, Sc-B (Transport Engineering Department)

E-mail: ted@bis.gov.in; Phone No. : 011-2360 4361; (M) – 97183 22332
