

BUREAU OF INDIAN STANDARDS

BIS desires to appoint senior/junior programmers on contract basis for a duration of one year (extendable based on performance), at its head quarters near ITO, New Delhi.

SENIOR/JUNIOR PROGRAMMERS

Graduate engineers in computer science (or equivalent) or MCA/BCA with competency certificate course from GOI approved institutes. Candidates should have independently developed applications under LAMP architecture. Knowledge of Ajax and JQuery preferable. Senior programmers should have minimum four years experience. Salary negotiable.

Apply online on www.bis.org.in before **30.09.2013**.
